of gender equality (mothers as well as fathers can transmit their citizenship to the child by descent) and transnational migration (migrants and their children acquire the citizenship of the destination country while maintaining the citizenship of the origin country). Citizenship and migration | Migration data portal One of the biggest obstacles refugees and immigrant parents report is raising their children in a new, unfamiliar culture. Parents often find that their children are quickly “Americanized,” which may be at odds with their own culture. Additionally, kids tend to pick up English much faster than their parents. The 7 biggest challenges facing refugees and immigrants in ... In a time of increasing migration, citizenship as a

form of classification has come to assume the kind of importance once reserved for other kinds of discriminatory and exclusionary classifications of status. ... (2000) 'Human Rights of Migrants: Challenges of the New Decade', *International Migration*, 38 (6), 7-51. CrossRef Google Scholar. Migration and Citizenship: Rights and Exclusions ... Globalization, migration, technological innovation and climate change pose challenges to citizens in European countries. These challenges test the limits of cross-national and cross-generational solidarities, touching upon the very foundations of governance and society. This research program aims at tackling these challenges. Citizenship, Migration and
