1930s women's rights movement.

Propaganda played a big role in political theater, whether it be in support of a war or in opposition of political schemes, theater played a big role in influencing the

public. Drama in the Twentieth Century | British Literature

Wiki Twentieth-century theatre describes a period of great change within the theatrical culture of the 20th century, mainly in Europe and North America. There was a widespread challenge to long-established rules surrounding theatrical representation; resulting in the development of many new forms of theatre, including modernism, Expressionism, Impressionism, political theatre and other forms of Experimental theatre, as well as the continuing

development of already established
